Signature Required for Release of Information

I understand I do not have to sign this authorization in order to get health care benefits (treatment, payment or enrollment). However, I do have to sign an authorization form:

- To take part in a research study; or
- To receive health care when the purpose is to create health care information for a third party.

I may revoke this authorization in writing. If I did, it would not affect any actions already taken by Northwest Asthma & Allergy Center based on this authorization. I may not be able to revoke this authorization if its purpose was to obtain insurance. Two ways to revoke this authorization are:

- Fill out a revocation form. A form is available from Northwest Asthma and Allergy Center, Inc. Or
- Write a letter to Northwest Asthma and Allergy Center, Inc.

Once health care information is disclosed, the person or organization that receives it may re-disclose it. Privacy laws may no longer protect it.
